

PRIVACY POLICY

Mount Sequoyah licenses this online service from Infosnap. Mount Sequoyah has created this privacy statement to demonstrate our firm commitment to privacy and to describe the information gathering process and dissemination practices for our web site and services.

You will be required to enter your email user ID and password each time you visit.

Personal Information

Web site is securely stored and is not sold or transferred to any third parties.

Credit Card Transactions

Features of this site enable credit card transactions. The operators of this site would like to assure you that measures have been taken to make such transactions are secure for its participants. This site utilizes industry standard Secure Sockets Layer (SSL) servers to encrypt your information and prevent unauthorized access. The processing of online transactions is done by Skipjack.

Shortly after a transaction is processed, a confirmation will be sent via e-mail. You are advised to print out and save a copy of the confirmation for verification necessary to request refunds or resolve any disputes.

This Web site guarantees that every transaction will be 100 percent safe. This means you are not responsible for unauthorized transactions posted to your credit card that occur as a result of you personally submitting a credit card number to this site. This site uses industry standard Secure Sockets Layer (SSL) servers on our transaction pages. It encrypts all of your personal information including name, address, and credit card number to prevent unauthorized access as the information travels over the Internet.

Under the Fair Credit Billing Act, your bank cannot hold you liable for more than \$50.00 of fraudulent charges. This site will cover this liability only if the unauthorized use of your credit card resulted through no fault of your own from transactions made at this site while using the secure server.

Anyone demonstrated to have engaged in fraudulent behavior may be subject to (but not limited to) loss of privileges for future registration as well as face prosecution to the fullest extent of the law.
